AL JAMA-AH WINS ITS FIRST COUNCIL WARD SEAT

Leader of AL JAMA-AH Ganief Hendricks is elated today on the Party's historic win in Ward 9 in Lenasia, Johannesburg. This is a proud moment for the Party and a victory for good governance in the City of Johannesburg where AL JAMA-AH's other councillor Thapelo Amad chairs the Oversight Committee on Governance which oversees the Executive Mayor and City Manager.

The new councillor, Imran Moosa is also known to be a hardworking activist who will go the extra mile for his constituents including those who voted for other parties. He will have at his disposal the direct support of the Party Leader and his support staff in Parliament to bring about not only quick wins for service delivery as the party lobbies with the ruling party, but also support for job creation in Lenasia. The party's leader, Ganief Hendricks MP has an important seat in Parliament as a representative on the Portfolio Committee on Small Business Development.

AL JAMA-AH is calling on residents of Johannesburg to unite in Thanksgiving, to all the people who came out to cast their votes, particularly the community of Lenasia Ward 9. We thank the CPF (Community Police Forum) workers, towing truck drivers, first responders, health care workers, general stakeholders and others who have made sacrifices to support AL JAMA-AH to represent our communities better.

The vote of Ward 9 has leveraged AL JAMA-AH in the City Council and has made our government stable to spearhead the service delivery for residents of Johannesburg at large. Our vote in Ward 9 is the vote for the entire Johannesburg.

We congratulate councillor Imran Moosa for winning Ward 9 and thank all other role players for their assistance and sacrifices made towards this victory.
