**AL JAMA-AH WELCOMES PRESIDENT'S ANNOUNCEMENT ON DATE FOR LOCAL GOVERNMENT ELECTIONS**

The AL JAMA-AH party welcomes President Cyril Ramaphosa's announcement of the date for the 2021 Local Government Elections.

The party will now focus its attention on the local election date on Wednesday 27 October 2021. AL JAMA-AH has won a ward in a local election in 2019 and whilst it had no victories in by-elections this year, the party views it as having made good footprints especially in areas where the party never previously contested local elections.

We thank our party members, supporters and volunteers for their sterling work during yesterday's local elections in KwaDukuza in KwaZulu-Natal. Every vote counts towards better results in the upcoming local elections.

AL JAMA-AH is confident that the party will make great strides in the upcoming local elections throughout the country. We encourage all our members to continue to maintain high spirits and be focussed on beneficial success Of the 2021 Local Government Elections, God Willing.
